DETAILED ACTION

1. The response received on 18 November 2004 has been placed in the file and was considered by the examiner. An action on the merits follows.

Allowable Subject Matter

2. Claims 2-6, 11, 17-18 are allowed.

3. The following is an examiner's statement of reasons for allowance: The subject matter previously indicated allowable has been placed in independent form by applicant's amendment. Applicant's amendment has also obviated the previous claim objections under 37 CFR 1.75. Thus, the claims are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
